**ORDER DENYING REQUEST FOR ENTRY INTO EARLY DISPOSITION PILOT  
PROGRAM**

On October 10, 2017, Respondents Edgewell Personal Care Company; Edgewell Personal Care Brands, LLC; Edgewell Personal Care, LLC; Schick Manufacturing, Inc.; and Schick (Guangzhou) Co., Limited (collectively “Respondents” or “Schick”) submitted an action request (the “Request”) that the Commission utilize the Early Disposition Pilot Program to determine whether Complainant can meet the importation requirement of Section 337. *See* October 10, 2017 Letter to Secretary.

Specifically, Respondents contend that the information relied upon by Complainant to demonstrate importation of the accused products is incorrect and, moreover, that the accused products are manufactured and assembled in the United States. *Id.*, at pp. 1-2. In support of their contentions, Respondents submitted two sworn declarations. *Id.*, Attachment A (Declaration of Paul B. White), Attachment B (Declaration of Jennifer B. Yomoah).

With leave of the Commission, Complainant filed a letter opposing the Request (“the Response”). *See* October 16, 2017 Letter to Secretary; Response. Complainant asserts, *inter alia*, that there are ambiguities and omissions in the statements set forth in the Request with respect to the manufacture and the assembly of the accused products. *See* Response, pp. 1-3.

The Commission has determined not to use the Early Disposition Pilot Program for this

investigation. The Request relates to issues that may be suitable for an early motion for summary determination as they may not require the Administrative Law Judge to hold a hearing or to resolve disputed issues of fact.

Accordingly, the Commission hereby **DENIES** the Request.

The Secretary shall serve copies of this Order upon each party of record in this investigation.

By order of the Commission.
